AttendanceOur attendance target is 95%. Currently attendance is 94.4%. We are just under target. Please supporting us in ensuring children attend school when they are fit and well.

End of spring term

We will finish school for the Easter break tomorrow, **Thursday 29th March at 1:15pm**. Bus companies have been informed to collect children at this time. We return to school on **Monday 16th April**.

Mufty Day

Children can wear own clothes to school tomorrow for a donation of £1 to raise money for school funds.

Competition for new class names

With our new building extension come four brand new classes in the Key Stage 2 Junior department as well as our new school nursery. We have decided to rename all of our classes for September 2018 and want children and their families to help us rename them in a whole school competition. There are 12 classes to name including nursery. All we ask is that the classes all have a Welsh theme eg. Welsh beaches, places, castles etc.

Please complete the slip below and return to school by Monday 16th April. Entries will be judged after Easter to rename all our classes.

National Tests

Please mark the dates of the National Tests in your calendars to avoid absences. Tests will begin on Thursday 3rd May until Wednesday 9th May.

End of Summer term

Please note the summer term will end on Friday 20th July at 1:15pm.
