

7th September 2017

Dear Parents/Carer

Welcome to the new school year. It has been lovely seeing familiar faces returning as well as welcoming our new pupils. All children look very smart in their school uniforms.

Building works

As you will be aware, there are currently building works going on in and around the school. During the summer holidays many parts of the foundation phase department have been refurbished, including remodelling of all three classes, and new toilets. The cloakroom areas for all pupils are almost complete. The new canteen is due to be completed by next week. We will keep you informed. Please continue to send packed lunches until further notice. The next phase of the building works is also underway which is the development of the KS2 department to include new teaching areas, as well as library and ICT zones.

After school clubs

After school clubs will start the week beginning October 3rd. this is later than usual to allow for all internal building works to be completed.

Lunchtime clubs will begin next week and clubs will take place each day for all pupils. Further details will follow next week.

Meet the teacher

Thursday 14th September.

All classes from Y1-Y6 will hold these meetings to provide information for parents and carers.

Foundation phase teachers (Y1 & Y2) will be available between 3.30pm and 4pm and KS2 teachers (Y3 & Y6) from 4pm and 4.30pm

Please make every effort to attend as teachers will be able to answer any questions you may have about your child's new class.

Important dates

October 13th- school will be closed to pupils for INSET

December 21st- whole school pantomime, Blackwood miners institute.

Please send completed permission slips with £14 into the school office by September 11th.
