

Meithrinfa Cwmffrwdroer - Newsletter 2 (Oct 2018)

Our first half term is coming to an end and we have a very busy time. We have enjoyed trying lots of new things together. Here are some of the fun things we have done.

Wish stars

Thank you so much to all parents who have supported us with our classroom wishes. We are very grateful. These donations help us to provide a very rich and varied curriculum to our children. Children also enjoy bringing them in and feeling a key part of the Nursery family. However, please don't go to any expense supplying these, just check if there are any hanging about at the back of a cupboard or your shed!

Parents Guides

I have started to produce parents' guides to the types of learning we do in Nursery. The first two - 'Independent Baking' and 'Book Buddies' will be available in the parent information rack as you come into Nursery from next week. Please feel free to take one if you would like.

Parent Pride sheets

A range of sheets will be permanently available in the parent information rack from next week. They are a means of you sharing information about your child with us, it could be something you are proud of, something you have noticed, or an exciting thing you have done together. These will form part of your child's record and will come home with them at the end of the year. They are a lovely memory for you to look back at as well as helping us to get an all-round picture of your child and again strengthen the close link between Nursery and home.

Potions Party - Tuesday 23rd October

Next week we will be setting up a new role-play area - the Potions Lab! On Tuesday children are invited to dress up as a witch, wizard or other magical character to celebrate in a magical spooky day at Nursery. This will be in place of the Halloween disco being held for the rest of the school.

Parents Consultations

Thank you so much for attending parent consultations. It was a pleasure to speak to you all. You have children to be proud of. I hope you felt that the meetings were useful (apologies for the tiny chairs!) but of course if you have anything you would like to discuss with me at any time please don't hesitate to come in.

Hoping you all have a lovely half term.
