

Parent/carer information newsletter - June 6th 2019

With such a short half term ahead of us, it feels like the term may be gone in a flash!

National Tests are now mainly out of the way. A few classes are yet to complete the online procedural maths test but learning can now focus on rich and varied learning experiences as we prepare for the new Curriculum for Wales.

Class Organisation September 2019

There are some changes to classes for the next academic year.

Miss Jones and Miss Hart will be leaving us and we wish them well in their future careers.
