Make a poster to teach other children about stranger danger

In the story the witches' motto is 'Squish them and squiggle them and make them disappear'. Can you find out any other mottos? Can you think of a motto for your family / school / town?

Plan a healthy menu for the hotel restaurant.

If a witch 'squelches' one child per week, how many children is that in a year... in two years... in ten years? How many would that be if she 'squelched' two children every week? (show how you worked out the answers. Use your RUC SAC)

The witches are told by The Grand High Witch to buy their own sweet shops. Can you design a sign for these shops? Could you make a poster to advertise the Great Gala Opening of each shop? Can you plan the layout of the different products?

Make up some names of sweets that might be sold in the witches' new sweet shops and draw a picture of each one.

Design a machine which could be used to catch witches

Write a recipe for a new witches' potion? indicate how much of each ingredient is needed in standard measures.
