

Meithrinfa Cwmffrwdoer - Welcome Newsletter

(Sept 2020)

On behalf of myself, Mrs Snook, and Mrs Matthews we would like to welcome you again to Cwmffrwdoer Nursery (Dosbarth Pebble). It was an absolute pleasure to meet you and your child during our introduction sessions and we can't wait to get started on our Nursery journey together.

Just a few reminders:

Snack

We are currently unable to provide snacks for the children due to the restrictions placed on us by Covid-19. We would be grateful if you could send your child with some fruit each day for snack in a labelled bag or container.

Wellies and spare clothes

Please could you provide a bag of spare clothes (don't forget socks!), a pair of labelled wellies and a puddle suit to be kept in Nursery. These will be worn on our visits to Forest School. We have some spares in Nursery if you have not managed to get these yet.

Parent pride sheets

Some parent pride sheets have been included with this letter. These sheets are for you to fill in if you feel you have a lovely story or memory you would like to share with us. These will then go into the children's portfolios which you will take home at the end of the year. They help to create a lovely story of the whole child and link the Worlds of school and home together.

Wishing stars - "When you wish upon a star your dreams come true".

We are regularly looking for new resources in Nursery as our learning follows children's ideas and interests. Sometimes the things we need are the things which you may have spare lurking in the back of a drawer. We would be really grateful if you could help us with our classroom wishes, which will be tweeted weekly. To get us started, these are the types of things we are always interested in:

Twitter

Don't forget to keep up to date with what is happening in Nursery by following us on twitter. Our class address is @Carolin63261632. I will regularly tweet pictures of what we have been doing at Nursery as well as posting our 'What's On' board each week.

What's On

In Nursery wellbeing and happiness is at the very top of our priorities. If a child does not feel happy and safe they will be unable to engage fully and learn. As part of our wellbeing ethos in Nursery, we follow a 'Spread the Happiness' calendar which means that we will be celebrating a range of strange, fun and crazy days throughout the year, just for fun. These will always be shown on the right side of the 'What's On' board (tweeted weekly). Children are free to dress for these days if appropriate and easy e.g. something spotty on 'dotty day'. However, we are very keen that these days do not cause any pressure for parents, we certainly do not expect anything special to be purchased. We will always find our own ways to celebrate in Nursery which includes every child.

Please feel free to speak to any of us if you have any queries.

Mrs Baker and the Nursery Team
