## Blended Learning

Thank you for those of you who have completed a short survey we sent out last week. It really helps us to develop our model of blended learning which best suits you. Your efforts with blended learning have been great since the start of term and we are very impressed with the level of engagement in Teams and Hwb. We completely understand that some of you may be juggling your own work and responsibilities on top of the home learning so please be kind to yourself. Please read our Blended Learning booklet on website.

## Keep Safe, Stay at Home - School Hub information

Our hub has limited places for parents/carers who have no other alternative for childcare. Every child who can be safely cared for at home should be. Guidance is available on the Welsh Government site. However, if a parents/carers work is critical to the COVID-19 response or is in a key sector and the children cannot be kept safely at home, then priority will be given for places in the hub.

If you are working from home children are expected to remain in the family home.
