Parent/Carer Newsletter - January 19<sup>th</sup> 2021

Welsh Government have announced that schools in Wales will continue to remain closed until at least 29th January 2021. Daily online learning with staff will continue until this date.

## Blended Learning

Well done! Your efforts with blended learning have been great since the start of term. What a start to 2021! We are impressed with the level of engagement from pupils (and parents and carers) in Teams and Hwb. We are constantly reviewing our blended learning offer in an effort to ensure it provides quality learning experiences without putting our pupils and families under too much pressure. We completely understand that some of you may be juggling your own work and responsibilities on top of the home learning. We will be sending a link to a short survey in the next week to gain your feedback on how blended learning is working for you.
