Parent/Carer information - 5th January 2021

Information regarding school closure and hub provision

Dear parents/carers

I hope that, despite the circumstances, you were able to have a restful and enjoyable Christmas and New Year. I'm sure you will have seen the Welsh Government announcement that all schools in Wales will now remain closed until at least Monday 18th January.

We will continue to provide online learning via Hwb and Microsoft Teams. More details about our home/blended learning will be provided by the end of the week. In the meantime if you have any issues with your child's access to home learning, please email teachers directly on their Hwb emails provided in text messages yesterday.

From Thursday this week and throughout this closure period we will be offering hub provision for the children of critical workers between the hours of 8:30am and 3pm. Pupils attending will be supported to access online learning in school.

This provision is for those who have no other childcare alternative. If you wish to book a place, please email me at head.cwmffrwdolerprimary@torfaen.gov.uk with employment details.

This provision is only available if it is pre-booked.

We have really appreciated all the support families have given us so far this year. These are anxious and uncertain times for all of us but the most important thing is that we continue to work together to keep our children safe and learning.

Take care and best wishes.

Sarah Truelove
Headteacher
