Dear parents/carers

It has been so lovely seeing the Foundation Phase children return to school and to hear the laughter in classes. We cannot wait to welcome our KS2 children.

Our Risk Assessment has now been updated to ensure the safety of staff and pupils as far as possible.

Unfortunately it has come to my attention that many of our parents/carers are not following Covid guidelines to wear face masks and to socially distance at the school gates to reduce transmission of the virus.

We are doing all we can to keep school as safe as it possibly can be and we would expect our families to do the same. Classes and staff are not mixing with other classes in line with guidance from Welsh Government. Out of school, it is important that all staff, children and their families should not be mixing with other households and we should be doing everything we can to reduce transmission of the pandemic.

It is concerning that staff have reported that some children have talked about having sleepovers and playing in friends' houses. This is putting everyone in school at further risk of transmission and is totally unacceptable.
