Dosbarth Pebble (Nursery) Newsletter March 2021

Dear Parent/Carer,

Thank you for support with our change in Nursery times this half term. I am conscious of how difficult the changes must be. I am very proud of how well the children have coped, particularly our new starters who have settled in well. The smaller group sizes have been beneficial to all but whole days have been a struggle for some. Despite this we've done it! These arrangements will continue for the next two weeks until the Easter break.

Arrangements for after Easter

We are very aware that we need to ensure the continued safety of all our children due to the situation with Covid-19. However, we also want to ensure that they have the best Nursery experience. As a result we have made the decision that we will continue to group the children as they currently are in order to keep bubble sizes small for the Summer Term. Group A will attend every morning from 9:05-11:35 and group B every afternoon from 12:35-2:55. These timings mean that when our children arrive and leave they do not clash with another class. We would very much appreciate your support with this. As always, these arrangements will be under constant review as the situation with Covid-19 changes.

Red Nose Day 2021

We will be taking part in Comic Relief this year - Group A on Tuesday 16th March and Group B on Friday 19th March. The theme this year is 'Put the POW in Superpower'. Children are invited to make a donation and dress as anyone they think of as a Superhero e.g. doctor, nurse, firefighter, Spiderman, Wonder Woman etc. Please do not feel you have to buy anything new. Homemade costumes are just as lovely and it can be fun to create your own masks/costumes at home.

Please send in your child's outdoor clothing if you have not already done so.

Thanks again for all your support.

Mrs Baker and the Nursery Team
