COVID Procedures

- Please ensure that your child does not come to school if a member of your household has Covid symptoms or is awaiting a test result.
- Parents/carers - please remember to wear a face covering at drop off and collection times.
- Aneurin Bevan Health Board has stated that children should not attend school if they are unwell even if parents/carers are not sure whether it is coronavirus.
- Please ensure you contact the school if your child is unwell and leave a message providing reasons for absence. If your child is displaying any one or more of the symptoms of COVID-19, then book a test immediately and self-isolate until the result is returned.

Values

We are currently reviewing our school values and part of the process will be consulting the children. We will share these with you later this term.

Stephen Lawrence Day

Stephen's story is both challenging and inspirational. He was a normal young person who made the most of everyday opportunities. Although his life was short, Stephen provides a positive role model of a life well lived.

On 22 April 1993, at the age of just 18, Stephen was murdered in an unprovoked racist attack. Today, on what would have been his birthday, KS2 classes are taking part in a live assembly in KS2 to recognise this day.
