Dear Parent or Carer

We are writing to inform you that Finance and catering teams are expanding and improving the cashless catering system in all schools managed by the authorities catering team.

This will mean that all trips and tuck money can be paid online allowing the parent to have full and instant access to their child's funds, more than one child can be added to an account allowing transfers to be made between children if needed. The new system is much more user friendly than the one being used at present but in order for this to happen we will need an email address for all parents asap.

A text message will be sent out shortly allowing you to reply with your email address, we appreciate that some of you may not have an email address, if you could contact the school office we will help you through this process.

Kind Regards

Leah Taylor
Senior School Support
Cwmffrwdoler Primary School
