Active Travel School

Cwmffrwdor Primary School Active Travel Plan

Our Active Travel Pledge: *EG: We pledge to work towards the actions on our plan to become an Active Travel School and increase families walking, cycling and scooting to school.*

Action	Who is responsible?	When will it be completed?	What will success look like?	Next Step
New school starters to sign pledge to travel actively	<i>This will be included in the Starting school pack</i>	Prior to the child starting school	Families signing pledge	Use each year
TCBC travel survey sent out to parents to find out issues regarding being able to travel actively to school	TCBC/school to send out links to parents	End of summer term	Results from survey analysed & shared with school.	Monitor changes Compare against initial data collected from the earlier travel survey
Yearly hands up survey carried out and data recorded and returned to Public Health Wales results then returned to school.	Public Health Wales & school to complete survey	End of summer term	Results from survey analysed & shared with school.	Monitor changes Compare against initial data collected from the earlier hands up survey

Active Travel School

Work with Torfaen County Borough Council to promote Active Travel throughout the school year. Sharing and taking part in consultations and surveys so the school community can have their say on existing and future active travel routes.	School	As per closing date of consultations	Increase of the school community having their say	Share and promote information when available.
