Attendance #NotInMissOut

Regular and punctual attendance at school is a legal requirement and is essential to enable children to maximise their educational attainments and opportunities available to them. Unless pupils are unwell, they should be in school.

Attendance	Days present in a school year	Average number of days missed per term	Days missed in a school year
100%	190	0	0
90%	171	6.33	19
80%	152	12.66	38
70%	133	19	57
60%	114	25.33	76
50%	95	31.66	95

Use this table to work out how many days your child has missed from school this year or this term. If you would like your child's attendance report at any time throughout the year, please contact the school office.

Punctuality Counts!

- 5 minutes late every day = 3 days lost per year
- 10 minutes late every day = 6 days lost per year
- 15 minutes late every day = 10 days lost per year
- 20 minutes late every day = 13 days lost per year
- 30 minutes late every day = 19 days lost per year

Weekly Attendance Figures - Strive for 95%
