

Parent/Carer information - 6<sup>th</sup> May 2022

value of the month - Creativity

Dear parents/carers

### Immersion days

Classes have been enjoying the start of new topics this week with immersion days where children have been immersed into the topics with a series of fun activities. Please look on our Twitter page to see many photographs of the learning experiences.

### Class newsletters

Please check our school website for the summer term newsletter from each class outlining the topic and learning for all classes. All class newsletters are uploaded to the Class Pages on the website.

All clubs will run straight after school until 4:10pm when pupils will need to be collected from school. If your child has to miss a session, please inform the club leader.

## Ty Ceirios Nursing Home

We are thrilled that our link with Ty Ceirios Nursing Home is developing through a new project "Bringing Together, Learning Together, Growing Together". The project will involve a number of children visiting the care home weekly **during school time**.
